

CURRICULUM VITAE

January 10 2016

NGUYEN Vinh-Kim (Mr)
HIV physician and medical anthropologist

Contact

Graduate Institute of International and Development Studies
P.O. Box 136,
CH - 1211 Geneva 21, Switzerland

T +41 22 908 57 00

E vinh-kim.nguyen@graduateinstitute.ch

Assistant

Ms. Kathleen O'Farrell

E kathleen.ofarrell @graduateinstitute.ch

Current positionsUniversity

- Professor, Department of Anthropology and Sociology of Development, *Graduate Institute of International and Development Studies* (Geneva)
- Professor, School of Public Health and Faculty of Medicine, *Université de Montréal*
- Research Chair, *Collège d'études mondiales* (Paris)
- Visiting Professor, Department of Social Science, Health and Medicine, *King's College London*

Hospital

- Attending physician, Montreal Jewish General Hospital

Education and trainingAcademic degrees

1982-1985 BSc, Biology, McGill University

1985-1990 Doctorat en médecine (MD), Université de Montréal

1990-1992 Courses in Epidemiology and Biostatistics, McGill University

1994-1996 MA, Medical Anthropology, McGill University

Thesis title: "Illness, epidemiology and visibility: an anthropological account of the emergence of a community based response to the HIV/AIDS epidemic in Côte-d'Ivoire."
Supervisor: Prof Margaret Lock.

1996-2001 PhD, Medical Anthropology, McGill University

Thesis title: "Epidemics, interzones and biosocial change: retroviruses and biologies of globalisation in West Africa." Supervisor: Prof Margaret Lock. Dean's Honour List.

Post-doctoral training

- 1990-1992 Residency, Family Medicine, The Montreal General Hospital, McGill University
- 1990-1992 Courses in Epidemiology and Biostatistics, McGill University
- 2002-2003 *École des Hautes Études en Sciences Sociales* (Paris). Supervisors: Jean-Pierre Dozon and Didier Fassin.

PROFESSIONAL EXPERIENCE

- 1992-1993 Faculty Lecturer (clinical, non-tenure track), Department of Family Medicine, McGill University
- 1992-2002 Attending physician with admitting privileges, The Montreal General Hospital
- 1992-2002 Attending physician with admitting privileges, St Mary's Hospital
- 1993-2001 Assistant Professor (clinical, non-tenure track), Department of Family Medicine, McGill University
- 2000-2012 Physician, Clinique médicale l'Actuel.
- 2001-2003 Research Associate, Department of Anthropology, McGill University
- 2002-2006 Associate Professor (clinical, non-tenure track), Department of Family Medicine, McGill University
- 2002- Attending physician with admitting privileges, Montreal Jewish General Hospital.
- 2003- Adjunct Professor, Department of Anthropology, McGill University
- 2004-2006 Associate Professor, Department of Social Studies of Medicine, McGill University
- 2004-2006 Chercheur associé (Associate Researcher), Département de médecine sociale et préventive, Université de Montréal
- 2006-2008 Associate Professor (tenure track), Département de médecine sociale et préventive, Université de Montréal
- 2008-2013 Associate Professor (with tenure), Département de médecine sociale et préventive, Université de Montréal
- 2013- Full Professor, Département de médecine sociale et préventive, Université de Montréal
- 2013-2015 Special Research Professor, Department of Anthropology, Universiteit van Amsterdam
- 2013-2013 Attending physician, Centre hospitalier de Mayotte, Mamoudzou
- 2014-2015 Attending physician, Assistance publique Hôpitaux de Paris, Hôpital Avicenne

RESEARCH ACTIVITIES**Publications: Peer-reviewed Original Science Research**Peer-reviewed scientific monographs

1. Nguyen V-K. *The Republic of Therapy: confession, triage and sovereignty in West Africa's time of AIDS*. Durham: Duke University Press.
2. Lock, M and V-K Nguyen, co-authors. 2010. *An Anthropology of Biomedicine*. London: Blackwell.

Articles published in peer-reviewed journals

1. Alter, G, A Merchant, CM Tsoukas, D Rouleau, R LeBlanc, P Côté, J-G Baril, R Thomas, VK Nguyen, R Sékaly and J-P Routy, and NF Bernard. HIV-Specific Effector Activity In Patients In

- Primary HIV Infection. *Journal of Infectious Diseases* 2002; 185: 755-765.
2. Nguyen, VK. Sida, ONG, et la politique du témoignage en Afrique de l'ouest. *Anthropologie et sociétés*. 2002; 26 (1): 69-87.
 3. Nguyen, VK, T Grennan, K Peschard, D Tan and I Tiendrébéogo. Antiretroviral use in Ouagadougou. *AIDS* 2003; 17(suppl 3) : S109-111
 4. Machouf N, R Thomas, V-K Nguyen, B Trottier, MR Boulassel, MA Wainberg, JP Routy. Effects of drug resistance on viral load in patients failing antiretroviral therapy. *Journal of Medical Virology* 2006; 78: 608-613.
 5. Nguyen V-K. Attivismo, farmaci antiretrovirali, e riplasmazione del sé come forme di cittadinanza biopolitica. *Antropologia* 2006; 6 (8): 71-92.
 6. Ag-Aboubacrine S, P Niamba, C Boileau, MV Zunzunegui, N Machouf, V-K Nguyen, S Rashed. Inadequate adherence to antiretroviral treatment and prevention in hospital and community sites in Burkina Faso and Mali: a study by the ATARAO group. *International Journal of STD & AIDS*. 2007; 18 (11): 741-747.
 7. Nguyen V-K, CY Ako, P Niamba, A Sylla, I Tiendrebeogo. Adherence as therapeutic citizenship: impact of the history of access to antiretroviral drugs on adherence to treatment. *AIDS*. 2007; 21 (5): S31-S35.
 8. Sylla M, A Chamberland, C Boileau, HA Troaré, S Ag-Aboubacrine, M Cissé, S Koala, J Drabo, I Diallo, P Niamba, D Tremblay-Sher, N Machouf, S Rashed, D Nickle, V-K Nguyen, C Tremblay for the ATARAO Group. Characterization of drug resistance in antiretroviral-treated patients infected with HIV-1 CRF02_AG and AGK subtypes in Mali and Burkina Faso. *Antiviral therapy*. 2008; 13 (1) 141-8
 9. Boileau C, V-K Nguyen, M Sylla,; N Machouf; A Chamberland; HA Traoré, PA Niamba; I Diallo; M Maiga; M Cissé; S Rashed, C Tremblay. Low prevalence of detectable HIV plasma viraemia in patients treated with antiretroviral therapy in Burkina Faso and Mali. *JAIDS*. 2008; 48 (4) 464-472.
 10. Ndiaye, C, C Boileau, M-V Zunzunegui, S Koala, S Ag-Aboubacrine, P Niamba, V-K Nguyen, S Rashed. Gender-related factors influencing HIV serostatus disclosure in patients receiving HAART in West Africa. *World Health and Population* 2009; 10 (3): 43-54.
 11. V-K Nguyen. Government-by-exception: enrolment and experimentality in mass HIV treatment programs in Africa. *Social Theory and Health* 2009 7(3): 196-222.
 12. Pirkle C, C Boileau, V-K Nguyen, N Machouf, S Ag-Aboubacrine, PA Niamba, J Drabo, S Koala, C Tremblay, S Rashed. Impact of a modified directly administered antiretroviral treatment intervention on virological outcome in HIV-patients treated in Burkina Faso and Mali. *HIV Medicine* 200910(3): 152-156.
 13. Aho J, Koushik A, Diakité SL, Loua KM, Nguyen V-K, Rashed S. Biological validation of self-reported condom use among sex workers in Guinea. *AIDS and Behavior*. 2010; 14(6): 1287-1293.
 14. Haidara A, A Chamberland, M Sylla, SA Aboubacrine, M Cissé, HA Traoré, MY Maïga, A Tounkara, V-K Nguyen, C Tremblay. High level of primary drug resistance in Mali. *HIV Medicine* 2010; 11(6): 404-411.
 15. Pirkle CM, Nguyen V-K, Ag Aboubacrine S, Cissé M, Zunzunegui MV. Socio-demographic correlates of late treatment initiation in a cohort of patients starting antiretroviral treatment in Mali, West Africa. *AIDS Care*. 2011; 23(11): 1425-1429.
 16. Sicotte M, Ledoux M, Zunzunegui MV, Ag-Aboubacrine S, Nguyen V-K. Reliability of anthropometric measures in a longitudinal cohort of patients initiating ART in West Africa. *BMC Medical Research Methodology* 2011; 10:102.
 17. Sanou , B Kouyaté, G Bibeau, V-K Nguyen. Assessment of an immunization improvement strategy in rural Burkina Faso: Intervention theory versus reality, information need and evaluations. *Evaluation and program planning* 2011; 34 (3), 303-315.
 18. R Thomas, N Machouf, B Trottier, S Vezina, R O'Brien, M Milne, S Lavoie, D Longpré, E Huchet, V-K Nguyen. A new approach to encourage HIV testing in high-risk populations at the Clinique l'Actuel.

Sexually Transmitted Infections 2011; 87 (Suppl 1), A201-A201.

19. B Trottier, V-K Nguyen, R Thomas, N Machouf, S Vezina, R O'Brien, S Lavoie, D Longpré, M Boissonault, L Charest. Sensitivity and specificity of rapid HIV testing in a community setting. *Sexually Transmitted Infections* 2011; 87 (Suppl 1), A288-A288.
20. Trottier, B, N Machouf, R Thomas, S Gallant, D Longpré, S Vézina, M Boissonault, S Lavoie, D Legault, K Dion, V-K Nguyen. Abacavir/lamivudine fixed-dose combination with ritonavir-boosted darunavir: a safe and efficacious regimen for HIV therapy. *HIV Clinical Trials* 2012; 13(6):335-342.
21. Chamberland A, M Sylla, S Ag Aboubacrine, M Cissé, HA Traore, MY Maiga, A Tounkara, V-K Nguyen, CL Tremblay. Drug Resistance Pathways and Impact of Protease Mutation L10I/V in HIV-1 Non-B Subtypes. *Journal of Antivirals & Antiretrovirals*. 2012; 4(2):<http://dx.doi.org/10.4172/jaa.1000045>
22. Nguyen, V-K. Counselling against HIV in Africa: a genealogy of confessional technologies. *Culture, Health and Sexuality* 2013; 15(suppl4):S440-S552.
23. Zarowsky, C, S Haddad, V-K Nguyen. Beyond 'vulnerable groups': contexts and dynamics of vulnerability. *Global Health Promotion*. 2013; 20(s1): 3-9.
24. O Dewachi, M Skelton, V-K Nguyen, GA Sitta, Z Maasri, R Giacaman. Changing therapeutic geographies of the Iraqi and Syrian wars. *Lancet* 2014; 383(9915):449-457. 2013.
25. Lachenal, G, C Lefevre, V-K Nguyen. Le triage en médecine, une routine d'exception. *Les Cahier du Centre Georges Canguilhem. Presses Universitaires de France (PUF), 2014; 6(1)*.
26. Nguyen, V-K. "Introduction: a museum of 'failed' HIV research." *Anthropology and Medicine* 22, no. 3 (2015): 241-243.

Extramural Funding

Career awards from scientific funding organisations

- | | |
|-----------|--|
| 2003-2008 | New Investigator Award, Canadian Institutes of Health Research (CIHR). C\$462,703. |
| 2007 | Aurora Prize, Social Sciences and Humanities Research Council (SSHRC). C\$25,000. |

Research operating and knowledge translation grants

- | | |
|-----------|---|
| 2003-2004 | (with S Rashed). Planification d'un réseau Nord-Sud d'évaluation multicentrique des stratégies de traitement aux anti rétro viraux, de counselling et de mobilisation sociale: déterminants et impacts de l'observance sur le pronostic et les modifications des comportements sexuels. CIHR (C\$75,000). Co-investigator. 25%. |
| 2004-2005 | (with S Rashed). Validation d'une stratégie pour identifier la résistance du VIH aux anti-rétroviraux dans les pays aux ressources limitées. CIHR (C\$98,500). Co-investigator. 25%. |
| 2006-2009 | Building capacity to reinforce adherence to antiretroviral therapy and sexual prevention for patients in or from resource-limited settings. CIHR (C\$456,850). Co-PI with S Rashed. 25%. |
| 2007-2010 | President Bush's Emergency Program for AIDS Relief in Côte-d'Ivoire: therapeutic citizenship, bioavailability and social triage, SSHRC (118,500\$); qualified for Aurora Prize (C\$25,000). PI. 25% |
| 2007-2010 | Intervention as Order: Therapeutic domination in the Balkans and West Africa. SSHRC (C\$88,000). Co-PI with Laurence McFalls et Mariella Pandolfi. 5%. |
| 2008-2012 | (PIs Banza Baya, Fournier Pierre, Haddad Slim) Vulnérabilité et équité en santé en Afrique, International Development Research Centre (IDRC: C\$1,600,000). Co-investigator. 5%. |

- 2007 Canadian Research Network on Antiretroviral Medications in Sub-Saharan Africa, Réseau de recherche en santé des populations du Québec (C\$7,000). Co-PI with Darrell Tan and Catherine Pirkle. 30%.
- 2008 Traduire la recherche en action: Enjeux actuels des programmes de traitement contre le SIDA en Afrique, une conférence internationale. CIHR (C\$5,000). Co-investigator with Valéry Ridde. 50%.
- 2008 Symposium sur la gratuité des traitements anti-rétroviraux au Burkina Faso. CIHR (C\$21.667). Co-PI with Valéry Ridde. 50%.
- 2008 International workshop on resistance in non-B clade HIV. CIHR (C\$25.000). PI. 50%.
- 2008 (with Martinez JL, Alvarado BE, Pai N, Wainberg M, Zunzunegui MV) Canada-Colombia exploratory meeting to establish a collaborative effort in HIV/AIDS research. CIHR (C\$25,000). Co-investigator. 5%.
- 2010-2011 (With E Mills and D A Elliott). Safari Science: An ethnography of AIDS Research and Development in Resource Limited Settings. CIHR (C\$49,426). Co-investigator. 5%.
- 2010-2013 (with S Mboup, A Jaye, P Sow, R Kaul, P Aaby, Z da Silva, T Fomsgaard, T Dong) WAPHIR : West African Platform for HIV Intervention Research. IDRC (C\$1.799.525). Co-investigator. 10%.
- 2010-2013 (with R Lorway, J Blanchard, S Moses, M Becker, N Yu, J Kimani L Avery, B Ramesh, S Reza-Paul, R Washington, X Ma, H Zhou). VASP : Vaccine acceptability among stigmatised populations : CIHR team on socio-cultural aspects of implementing HIV vaccine programs. CIHR (C\$750.000). Co-investigator. 5%.
- 2011-2012 (with M Alary, A Berthe, N Meda, R-P Sékaly, C Tremblay, D M Zannou). HIV vaccine development and preparedness studies: systems biology and social approaches to characterize determinants of HIV acquisition and disease progression in Female Sex Workers and in cohorts of slow progressors. CIHR (C\$24,370). Co-investigator. 5%.
- 2013-2014 (with J Otis). Mobiliser les savoirs et les communautés pour une approche intégrée de la prévention du VIH et de la promotion de la santé sexuelle des hommes gais ou ayant des relations sexuelles avec d'autres hommes. CIHR (C\$10,000). Co-investigator. 5%.
- 2014-2019 Consolidator Grant, European Research Council (ERC) €2,000,000. 100%
- 2014 - Co-Investigator. European Union Horizon 2020 Research and Innovation Grant. €2,575,809.50. 10%

Research Program Building / Leadership

- 2008-2014 Social Sciences Commission, ANRS: French National Agency for AIDS and Hepatitis Research, Member.

Educational Program Building / Leadership

- 2008-2012 Health Promotion Track, PhD in Public Health (U Montréal): Director.
- Initiated and oversaw a reform of the Health Promotion Track.
 - Ongoing administrative supervision of PhD students
- 2013- Global Health Track, PhD in Public Health (U Montréal): Director.
- Co-ordinated the creation and approval of this new PhD program which will have its first cohort beginning in 2014-2015.
- 2013- Steering Board, Trans Global Health (European transdisciplinary global health doctoral programme): Amsterdam Medical Centre, Institute for Tropical Medicine (Antwerp) and Universities of Amsterdam, Barcelona and Bordeaux.
- Selection of research programs and doctoral students
- 2015- Comité Scientifique specialise temporaire *RTU Truvada en Prophylaxie pré-exposition*. France: Agence nationale de la sécurité des médicaments (ANSM).

CLINICAL ACTIVITIES

Clinical (Service) Responsibilities (dates, specialty, role, time commitment)

- 1992-2002 Attending physician with admitting privileges, The Montreal General Hospital
- Immune Deficiency Treatment Centre (HIV clinic)
- outpatient care of a cohort of roughly 200 patients
 - inpatient direct care and consultation for hospitalized HIV patients
 - 1½ days/week outpatient
 - 10-12 weeks/year inpatient
- Department of Medicine
- inpatient care, general internal medicine ward (14 west)
 - 8-12 weeks/year
- Department of Emergency Medicine
- Emergency Room acute care and internal medicine consultations
 - 1-2 days/week
- 1992-2002 Attending physician with admitting privileges, St Mary's Hospital
- Department of Medicine (full-time 16 weeks/year)
- attending staff, Intensive Care Unit
 - attending staff, Clinical Teaching Unit (Internal Medicine)
 - general internal medicine

- 2000-2012 Physician, Clinique médicale l'Actuel.
- Diagnosis and treatment of STIs, ongoing care of a cohort of roughly 150 HIV+ patients, some general primary care of young adults.
 - 1½ days/week
- 2002- Attending physician with admitting privileges, Montreal Jewish General Hospital.
- Staff physician for the Short-Stay Unit of the Emergency Department (average of 12 admissions and discharges daily, 24 beds plus off-service patients; 7 days/week for 8 weeks/year).

Clinical Program Building / Leadership

- 1992-1993, Immune Deficiency Treatment Centre, The Montreal General Hospital, developed with Dr C M Tsoukas, and wrote the proposal to consolidate HIV treatment activities into an integrated service at the MGH.
-
- 1994-1995, Palliative Care Unit, The Montreal General Hospital, developed and wrote the initial proposal.

Clinical Extramural Funding (current, pending, previous)

- 2010-2012 "Projet PIPEline: improving access to testing and treatment for migrants from endemic countries for HIV using rapid HIV tests". Sponsor: Gilead. C\$200,000. PI. 10%.

ORGANIZATIONAL ACTIVITIES

Institutional Administrative Appointments (date, committees)

At Université de Montréal:

2008-2012

- Master's in Global Health Planning Committee
- PhD in Public Health Program Committee
- PhD in Public Health Admissions Committee
- PhD in Public Health Self-evaluation Committee

2012-2013: sabbatical year

2013-

- PhD in Public Health Program Committee
- PhD in Public Health Admissions Committee
- Committee of Graduate Studies
- Sub-committee for Humanities in Medical Education

Editorial Activities (dates, role)

2012- Founding Co-Editor, *Medicine, Anthropology, Theory: a journal of health and culture*

2013- Editorial Board, *Bio-Societies*

Ad hoc peer reviewer since 2001:

- *AIDS*
- *AIDS and Behaviour*
- *Anthropologie et Santé*
- *Anthropology and Medicine*

- *Autrepart*
- *Body and Society*
- *Culture, Health and Sexuality*
- *Cultural Anthropology*
- *Global Public Health*
- *HIV Medicine*
- *International Journal of Public Health*
- *JAMA*
- *Journal of Asian Studies*
- *Medical Anthropology*
- *Medical Anthropology Quarterly*
- *Perspectives in Biology and Medicine*
- *Social Science and Medicine*
- *Social Studies of Science*

Professional Societies (date, membership, committees, role)

- 1995-1999 Board member, International Gay and Lesbian Human Rights Commission
- 2002-2007 Board member, Médecins du Monde (Doctors of the World) Canada.

Conference Organizer, Session Chair (date, title, venue, sponsor, role)

- 2000 *Travelling facts: inscription, materiality translation*, Max-Liebermann-Haus (Berlin), Wissenschaftskolleg zu Berlin, Organizer and Chair
- 2004 *Berlin roundtables on transnationality and risk*. Berlin, Irmgard-Coninx-Stiftung, Co-chair.
- 2004 *Transnational Flows, Structures, Agents, and the Idea of Development*, Budapest, Central European University, co-organizer.
- 2004 *Humanitarian intervention and global citizenship*. Berlin, Irmgard-Coninx-Stiftung, Co-chair.
- 2013 *2nd International AIDS and Social Sciences Conference*. Cité des Sciences, Paris, Association for Social Sciences and Humanities in HIV (ASSHH), Foundation for Professional Development and Fondation Maison des Sciences de l'Homme, Organizer and Co-chair
- 2014 *ITM (Antwerp Institute for Tropical Medicine) Colloquium: Social Sciences for Global Health*. Executive Organizing Committee.

Consultantships (date, organization/agency, role)

- 1994 International HIV/AIDS Alliance. Evaluation of a pilot project to establish a local organisation to support community efforts to combat the HIV/AIDS epidemic in Burkina Faso. Team Leader.
- 1994 International HIV/AIDS Alliance. Assessment of the HIV/AIDS situation in Burkina Faso: epidemiology and strategic opportunities for financial and technical assistance. Team Leader.
- 1994 International HIV/AIDS Alliance. Establishment of a local organisation to support community efforts to combat the HIV/AIDS epidemic in Burkina Faso. Team Leader.
- 1995 International HIV/AIDS Alliance. Organizational development of an HIV/AIDS NGO support mechanism in Burkina Faso. Team Leader.
- 1995 International HIV/AIDS Alliance. Development and piloting of mechanisms to support local groups through an NGO support mechanism in Burkina Faso. Team Leader.
- 1995 International HIV/AIDS Alliance. Establishment of administrative procedures and protocols for an HIV/AIDS NGO support mechanism in Burkina Faso. Team Leader.
- 1995 International HIV/AIDS Alliance. Evaluation of the need for an HIV/AIDS NGO support mechanism in Côte-d'Ivoire. Team Leader.
- 1996 International HIV/AIDS Alliance. Finalization of a memorandum of understanding governing financial and technical support to an HIV/AIDS support mechanism in Burkina Faso, IPC/BF. Team Leader.
- 1996 International HIV/AIDS Alliance. Review and replanning of IPC's NGO support and

- organizational development activities. Team Leader.
- 1997 International HIV/AIDS Alliance. Assessment of the needs for supporting community groups to develop programs for caring for people with HIV/AIDS in Burkina Faso. Team Leader.
- 1997 International HIV/AIDS Alliance. Design and implementation of a training mechanism to mobilise community groups to care for people with HIV/AIDS in Burkina Faso: training of trainers workshop. Team Leader.
- 1997 International HIV/AIDS Alliance. Workshop to mobilize community groups new to caring for people with HIV using community groups with experience. Team Leader.
- 1998 International HIV/AIDS Alliance. Follow-up workshop to evaluate community-based HIV/AIDS care programmes. Team Leader.
- 1998 International HIV/AIDS Alliance. Presentation of Burkina Faso's experience in mobilising community groups in HIV/AIDS care: lessons learned and future directions. Team Leader.
- 2003 UNAIDS. Green, C., Dhaliwal M, Lee S, Nguyen V-K, Curtis H, Stock G, *Handbook on access to HIV/AIDS related treatment: a collection of information, tools and resources for NGOs, CBOs and PLWHA groups*, in *UNAIDS Best Practice Collection*.
