

INFORMATION BEFORE A THESIS DEFENCE

At this stage, there is no procedure as to how you need to prepare your manuscript before your thesis defence.

You will need to deposit 4 bound copies of your thesis (5 if you are in a co-direction) at the PhD secretariat following your deadline.

The thesis should be recto-verso and the usual size font is 12 with a spacing of 1.5 (not above).

You will need to send a pdf version of your thesis to:
