MOVING FORWARD TOGETHER: KEY ASKS FROM THE UHC MOVEMENT FOR THE UN HLM

Monday, 6 May 2019, 12:30 - 14:00
Auditorium Ivan Pictet, Maison de la Paix

On 23 September 2019, the United Nations General Assembly (UNGA) will be holding the UN High-Level Meeting (UN HLM) on Universal Health Coverage (UHC). This is a critical opportunity to mobilise the highest political support for UHC as the cornerstone to achieving SDG3 and uniting other health agendas under a common theme.

UHC2030 developed a set of Key Asks through a series of consultations by various stakeholders of the UHC movement, including Parliamentarians, public and private actors, representatives of civil society, Global Health Initiatives and the UN system. These Asks should inform the zero draft of the Political Declaration of the UN HLM on UHC.

This event aims to inform all stakeholders - in and outside of global health – about the UHC Key Asks and the Multistakeholder Hearing for the UN HLM on April at the UNHQ. It seeks to provide a momentum for UHC in the context of the upcoming World Health Assembly (WHA), stimulating multistakeholder dialogues in health further during the WHA, and to look already ahead towards the UN HLM on UHC.
