# Reckonings & Revisions

*"These things never happen in hist'r'y an' even if they did, hist'r'y ain't got the eyes to see everything."*

-In the Castle of my Skin, George Lamming. 1953

The Albert Hirschman Centre on Democracy is pleased to present the launch of the website of the research project *Images, (In)visibilities, and Work on Appearance*. The two roundtables will engage with some of the main theoretical stakes of this project from a comparative perspective followed by the launch of the official website. The event will be held online.
