

## JOB TITLE - Intern

<b>Starting date:</b>	ASAP
<b>End date:</b>	Six months from start with extension possible
<b>Occupational rate:</b>	Ideally full time
<b>Location:</b>	Geneva
<b>Remuneration:</b>	Paid
<b>Application deadline:</b>	Rolling

The Green Hydrogen Organisation is a newly established not profit Swiss foundation working to accelerate the production and use of green hydrogen. More information is available on our website, [www.gh2.org](http://www.gh2.org).

### Main activities

- Prepare larger meetings and contribute to policy development and writing about green hydrogen. We are a start up so entrepreneurial mindset and flexibility is required in being prepared to do different tasks.

### Key skills

- Good analytical skills and some understanding and interest in the energy transition and with a burning desire to address climate change.

### Education

- Ideally a master's degree in a relevant subject.
- 

### Languages

- Fluency in written and spoken English is required.  
Fluency in written and spoken French is an advantage.

### How to apply

Please send any applications to [Melannie.lai@gh2.org](mailto:Melannie.lai@gh2.org), writing in the subject line «intern Geneva ».

We thank all those who apply, however, only candidates selected for an interview will be contacted.
