

International Law Colloquium Fall 2022

The International Law Colloquium is a platform to discuss international law scholarship. The presentations chosen for the colloquium reflect the diversity of topics of, and approaches to, international legal study. The colloquium offers an opportunity for in-depth engagement with ongoing research. To maintain the high quality of discussions, participants are kindly requested to read the drafts circulated in advance of each session. Speakers will include faculty members of the International Law Department as well as invited external speakers.
