NEWSLETTER

CIES NEWSLETTER AUTUMN 2022

The Centre for International Environmental Studies (CIES) is the Geneva Graduate Institute's focal point on environmental research. This newsletter presents recent and upcoming activities.

HIGHLIGHTS

2 New SNSF research projects !

Congratulations to Joëlle Noailly, CIES Head of Research, and to Anne Saab, Associate Professor in International Law, who were awarded a new 4-year research grant from the Swiss National Science Foundation !

Are you interested in joining their research team? Both projects are recruiting a PhD candidate.

Research project 'Critical Minerals and the Clean Energy Transition' by Prof Joëlle Noailly

> Position open for a PhD Candidate in International Economics with a focus on Climate and Environmental Economics

Research project 'Emotions and International Law' by Prof Anne Saab

> Position open for a PhD Candidate in International Law

Book Launch: Partnerships for Sustainability in Contemporary Global Governance with Professor Liliana Andonova

On 5 September 2022, CIES co-hosted a hybrid event with the Global Governance Centre (GGC) and NORRAG for the launch of the new book *Partnerships for Sustainability in Contemporary Global Governance: Pathways to Effectiveness* edited by Professor Liliana Andonova, Dr Moira V. Faul and Dr Dario Piselli, which investigates the goals, ideals, and realities of sustainability partnerships and offers a theoretical framework to help disentangle the multiple and interrelated pathways that shape their effectiveness.
