MARIA ROSARIO LAZZATI NIADA SCHOLARSHIP FOR AFGHAN WOMEN

The postgraduate scholarship in memory of Maria Rosario Lazzati Niada (18.03.1954–02.02.2022) has been established to help talented Afghan women with a university degree to improve their knowledge in international relations and development. Successful applicants will enrol in a two-year master programme from the Geneva Graduate Institute.

Given the present situation in Afghanistan, with strong restrictions to women's higher education, the master programmes at the Geneva Graduate Institute aim to broaden the reach of Afghan women's university education abroad, giving them a competitive advantage in the global community. A master could provide access to an academic and diplomatic career, a job in international and non-governmental organisations, or in international corporate companies.

THE MARIA ROSARIO LAZZATI NIADA SCHOLARSHIP

- The Maria Rosario Lazzati Niada Scholarship is a two-year scholarship. The scholarship beneficiary must prepare a report at the end of their first year of studies with proof of their success. Based on this, the scholarship will be renewed.
- The annual amount of the scholarship is 25,000 Swiss francs.
