What is the journal's
open access model?

The journal is
100% open access

Does it ask for
article processing
charges (APC)?

No!

Yes.

Is your research
funded by the SNSF
or another funder?

Yes!

No.

Congratulations!
This is called
"Diamond OA"

The journal is hybrid
(partly open access)

Most funders do not
support publication
in hybrid journals

Is the journal published by
Cambridge, Elsevier, Oxford, Sage,
Springer, Taylor & Francis, or Wiley?

Yes!

APC costs (Gold OA)
might be covered by our
Read & Publish agreements

Only for IHEID corresponding authors.
Some publishers offer limited quota.
Non-research articles may be excluded.

Yes!

Is the journal published by
Cambridge, Elsevier, Sage,
or Taylor & Francis?

No.

Your funder should
cover your APC
costs (Gold OA)

The journal is
subscription-only

Publish your accepted manuscript
on our repository (Green OA) and
check the journal's self-archiving
policy on Sherpa Romeo
for the embargo period

The SNSF and some other funders require
immediate OA with no embargo!
