French

Workflow French Course - Detailed Description

French Test level B1:

First week of the academic year

1. Designed to evaluate your passive knowledge of French (indicative of your ability to follow a course taught in French)
2. Consists of:
 - a. Listening & Reading Comprehension,
 - b. Grammar & Vocabulary Exercises,
 - c. Multiple Choice Section
 - d. Short Writing Section

Intensive French Course:

3 Weeks before start of Academic year

- Online **individual placement test** in order to be placed into different level groups (from beginner to intermediate)
- Regular attendance: missing more than two class sessions, without written justification, leads to automatic withdrawal from the semester course.
- 20 hours per week, morning or afternoon
- Course materials need to be purchased on the first day of class (approx CHF 35). Otherwise, no course fee.

Annual French Course:

Starting for First Week of the Semester

- Two hours per week during Semester I & II
- Worth 3 ECTS
 - **MINT:** Will count as a 3 ECTS skills workshop
 - **Disciplinary Master programmes:** Will count as a 3 ECTS complementary course taken outside the discipline
 - **PhD programmes:** Will appear on the transcript and be counted 3 ECTS in addition to the required credits

1. Requirement:

- a. **Successful completion** of the French Course: indicated as *pass/fail* on the transcript.
- b. **Regular Attendance:** more than 2 unjustified absences will result in a *fail* assessment.
